

## 11.0 COMMUNITY ENGAGEMENT

Ellenbrook Community Radio (inc), will be engaging with the community in an open and transparent manner in order to be able to participate in an on-going conversation and make 88.5FM an integral part of the community within which it operates.

Ellenbrook Radio 88.5fm is also committed to the social justice principles of access, equity, participation and rights and has used these as guiding principles for the development of the Social sustainability and community engagement strategy.

### OBJECTIVES

The following objectives are designed to allow equitable access to information, opportunities for participation and to allow everyone's opinions to be heard.

#### Inform

Provide the public with balanced and objective information to assist them in understanding the problems, alternatives, opportunities and/or solutions. Possible engagement activities that could be utilised to inform community members include:

- Fact sheets
- Websites
- Open house meetings

#### Consult

To obtain public feedback on content and programmes. Possible engagement activities that could be utilised to consult community members include:

- Public comment
- Surveys
- Public meetings

#### Collaborate

Work directly with the public throughout the process to ensure that public issues and concerns are consistently understood and considered. Possible engagement activities that could be utilised to involve community members include:

- Workshops
- Training
- Surveys
